

FOOD FIRST

Feed the Soul

When you purchase any item from our feature menu, Casey's will donate a portion of the proceeds to support the Ontario Association of Food Banks. In Ontario, over 120 community food banks serve more than 350,000 people each month — 40 percent of whom are children. For every dollar raised, the Ontario Association of Food Banks (OAFB) is able to acquire and distribute eight dollars worth of food. At Casey's we are committed to our people, to our guests and to the communities we serve. We strive to foster change and are proud to support the efforts of the OAFB.
